Student Handbook

1957-1958

Published
by the Cabinet of the
STUDENT GOVERNMENT ASSOCIATION

Students are required to bring this book to college with them and are held responsible for knowledge of its contents.

Message from Vice-President

Dear Members of the Class of 1961:

The very fact that you have received a copy of this **Handbook** means that you are one of the comparatively small group of people in the world who have finished high school, that you belong to the smaller group accepted for college training, and to the still smaller circle of those who have elected to pursue higher education in a Christian college. These privileges bring with them the correspondingly large responsibility for doing your best in college. Jesus said: "For unto whomsoever much is given, of him shall be much required." (Luke 12:48).

We believe that you will enjoy your stay in Montreat and that you will find abundant opportunities for development mentally, physically, socially and spiritually, but the real measure of what you get out of college will be determined by what you decide to put into your work day by day. As the old jingle has it:

You can lead a horse to water
But you can't make him drink
You can send a boy to college
But you can't make him think.

After studying your records carefully, we are convinced that you will do your best because of the contribution it will enable you to make to your Church, your Country and to your home in years to come and because you recognize that you are stewards of the lives God has entrusted to you to live.

Please call on us if we can help in any way with your plans for coming to Montreat.

Looking forward to seeing you in September, and with all good wishes for your summer vacation, I am

Cordially yours,
GEORGE A. ANDERSON
Vice-President

"Esse quam videri—to be rather than to seem." The Latin phrase which is found across the lower part of the Montreat College seal seems to summarize the type of character that Montreat would instill within her students. Montreat says to each who enters her doors: Be all that you seem to be, be without hypocrisy, be completely sincere and honest in every way of life.

In the center of the seal is the Open Book which is the symbol of knowledge. Montreat would give her students a knowledge that opens new paths of truth to them, an understanding that gives an open mind and a respect for the individual, and a guidance that points the true way of life.

Across the top of the seal are found the words "Strength, Beauty, and Truth." These are the visible characteristics of the concealed virtues that Montreat is developing in the lives of her students.

Beauty is spiritual and moral as well as physical loveliness. It gives pleasure to the senses and exalts the mind and spirit. Much deeper than physical appearance is this beauty of character, beauty of life and countenance.

Strength is that quality of being strong; it is the capacity for exertion or endurance. Montreat is striving to develop mental, physical, and spiritual strength in her students.

Truth is that which is true, sincere, genuine, and constant. The things that are true conform and agree with reality. Truth is "being rather than seeming."

Montreat holds her doors open to those who would develop their lives, who through Christ's help would develop their every possibility. The doors are open to all who are seeking true knowledge; to those who would have strength, beauty, and truth in their lives; to those who would be all that they seem to be—"Esse quam videri."

Message From Dean of Students

Another year begins and another opportunity opens up for all of us, those who have been at Montreat before and those who will become part of the college for the first time. How the year will develop, depends upon how we help each other and how much we let God help us. It can be the best year we have ever had and I believe it will be.

An effort is being made through our student government to let the girls have most of the responsibility in managing their own affairs. To make such a system work, everyone has to realize that she is a vital part of the program. Will you who are new members of the student body think that fact through?

Any time and in any way that Miss Morris and I can help you, please let us know.

May God bless you all.

Sincerely,
ELIZABETH WILSON
Dean of Students

Here's What We Do!

To you who have been anticipating college days, we know you must have endless numbers of questions haunting you day after day. Maybe the following information will enlighten you on some of the conveniences that are really life savers and also special activities that add spice to our college life.

Dormitory Cooking: Maybe it's a cold winter night and you're craving some hot soup, popcorn, or fudge. Just sign up on the pad that is provided in the kitchen and you are set for happy eating. Let's remember to leave it tidy.

Those Soiled and Wrinkled Clothes: A washer and a dryer are provided for doing your heavy laundry and may be used for a small fee. Ironing rooms are conveniently located in the dorms. Dry cleaning may be sent to Black Mountain.

Student Bank: For you people of great means, and others of you of no great means, the student bank offers a safe place for your money. It is open every week day at scheduled times and you may deposit or withdraw as you wish.

The Bookstore: The Bookstore is located in the Student Lounge at McAlister Hall. It is under student management and is open at designated times during the day and night. The store has all textbooks, school supplies, snacks and some personal supplies you might need. All articles must be paid for at the time of purchase.

A. C. T.: The Asheville Community Theatre presents six excellent plays during the season. Students may purchase season tickets at the opening of school.

Civic Music Concerts and Others: Civic Music Concerts offer a variety of delightful programs which are attended by a large number of students. Season tickets may be obtained during first semester. Also in Asheville you may wish to hear various college choruses and local groups.

That Special Date: The date rooms and lobbies located in each dorm, are very attractive and especially designated for the purpose of entertaining dates. It is wonderful to pop corn and roast marshmallows around the roaring fire on a winter's night. We would insert the recommendation, however, that you use caution in running through the lobby in your "nighties," because every now and then you might embarrass someone's date, not to mention yourself.

Sunday Activities: Our Sundays begin with Sunday School and Church in the morning. Reading, listening to the radio, letter writing, short walks, and visiting with friends in the community are some of the things we do on Sunday afternoons. The meeting of the Life Service Group and hymn sings are held on alternating Sunday nights following vespers. The Church Choir sings twice a month for the worship services at Moore General Hospital, and through the S. C. A., students visit Western Carolina Sanatorium every Sunday to teach the Sunday School lesson and provide special music for their services.

Saturday Nights: Saturday nights are scheduled with concerts, plays, square dances, and various other activities which are of particular interest to all students.

Throughout the year boys from nearby colleges are invited to Montreat for special weekends of fun and fellowship, which include picnics and square dancing.

Our college days are made richer and take on deeper meaning as we participate in the special events and traditions of our school. Throughout the year there are programs and activities which add much to our lives here on campus.

The Freshman Talent Show: The Freshman Talent Show in October is eagerly awaited by the upperclassmen. This major production is an opportunity for you Freshmen really to perform. Who knows? TV may be looking for you!!

Christmas: The Christmas Season is a very busy time for Montreat Students. Programs are given by various organizations. The Sophomore Class sponsors the annual Christmas party. The Choir and Chorus give a Christmas Concert. The Student Christian Association presents the Christmas pageant, and special projects are also conducted through the S. C. A. and the S. G. A. by which gifts are made to needy families of the community. One of the enjoyable things during the Christmas season is that of being "angels and mortals." Each girl is an "angel" and does secret good deeds for her "mortal."

The February Favorites Costume Party: Each year in honor of all the national heroes born during February, the S. G. A. sponsors an annual costume party. This is a gala occasion and one to which everyone looks forward.

Spring Activities: The Coming of Spring brings to Montreat several special occasions: The tour of the Montreat College Singers, the Thailian play, the Easter program, and one of the major events of the year, the May Day Pageant and the crowning of the May Queen. Many prospective students visit the campus during May Day Weekend.

Commencement: The Busy Commencement season is the time for the concert of the Montreat College Singers. Various awards are given to those who have been outstanding academically. Commencement Saturday includes the Alumnae Luncheon honoring the graduates and past graduates who have returned. The season is climaxed by our Graduation, the loveliest and most impressive ceremony of the school year. Women students wear white dresses or suits, and men students wear dark suits to participate in the processional and recessional.

Hints To Freshmen

THINK . . . Now is the time . . . if there ever was a time, this is it . . . THINK!!

Your Montreat Handbook is full to overflowing with cold, hard facts, a few rules and regulations, unwanted advice, and impossible songs. Is that what you **think?**

Think again. A lot depends on whether or not you **think** intelligently and maturely as you read your Handbook. Knowing the purpose of the Handbook and respecting that purpose is basic to understanding the governing of Montreat College by its students, and respecting both that government and the students involved

Think about the possibilities you have at Montreat College. **Think** of the future and the part you have always wanted to play in it. **Think** of past experiences—and the lessons you have had to learn the hard way. If you have been needing a clean slate, here you are. Here is your chance to pick out the good characteristics you have accumulated in the past and use them to build a future. THINK.

Completely stop reading right now, and really **think** for a moment of yourself as a definite part of Montreat College. Realize that you are a part of it and that you have access to everything it offers. Make use of everything Montreat offers. Some activities will be the usual type which you would expect to find in **any** college. Others are more unique and seem to belong especially and wonderfully to **Montreat** College.

Think, but don't stop there.

T Tackle any job that comes your way. This may come in the form of an election to an office or it may be a less impressive but

equally important job of some other type. There are clubs upon clubs at Montreat. You will want to investigate them and take part in as many as you comfortably can. There is a Music Club, Thalians, Kappa Pi Beta, French Club, Business Club, and Red Cross. There are endless activities in connection with the A. M. A. You will belong to either the Blue team or the Gold team, you may take part in softball, tennis, archery, shuffleboard, horseshoes, ping-pong, cageball, volleyball, and soccer.

H Help yourself to the sweet and simple pleasures —and you will **help** yourself. Montreat abounds in the kind of pleasure that has to be practiced to be appreciated. "Morning Watch," Wednesday night Prayer meetings, and such things (prayer groups) are not compulsory in one sense of the word. In another sense, they are, as I hope you will decide for yourself.

I Ignore chronic gripers. They will always be around—or should I say a **square**. Concentrate on being friendly yourself. Smile and laugh if it kills you. The first six weeks of college is a frustrating time for some people, but it is not the end of the world.

N Never neglect the most obvious, yet easily ignored aspects of college life. Keep up to the minute by reading bulletin boards which are our daily newspaper, and the multitude of new books in the library. Respect the rights of others regardless of where you are. Really work at being cooperative, unselfish, and understanding. Remember others are in the process of adjusting to college life too. Just be yourself, that's the nicest thing to be—and it's easier too.

K Kome on in, the water's fine.

General College Regulations

I. Freshmen Orientation

This is a six weeks period designed to allow new students to become adjusted to college life and campus activities. During this period, freshmen are counseled in order to discover their particular interests. Special classes and discussions are held concerning proper methods of study, proper use of the library, the choice of electives, and how to fit into the overall program of the college.

At this time new students are familiarized with the Handbook, and after the Orientation Period, a test is given on its contents.

The Orientation Period is for transfer students as well as freshmen.

1. When leaving the campus during Orientation Period, a freshman or transfer student shall be accompanied by an upper-classman on the Approved List.
2. In order that new students may become well established in their college work, no weekend permissions will be granted during this time.
3. Cabinet reserves the right to give special permission during the six weeks Orientation Period to those who have worked in Montreat in the summer and have earned such permission.

The Orientation class for freshmen (Education 101) will continue one period a week during the entire first semester.

II. Approved List

Students who remain in good standing and who show good Christian citizenship in college living are free to enjoy all regular privileges and are under no restrictions. These students make up the Approved List which is determined by Cabinet on the following basis:

1. Attitude toward college standards and ideals.
2. Personal conduct on and off the campus.
3. Acceptance and support of the Honor Code.

The Approved List is posted every six weeks. A student who does not merit being on the Approved List may not leave the campus unless she is accompanied by a Cabinet member. When a student is suspended from the Approved List, Cabinet determines the length of time of such suspension.

The penalty of a Campus automatically includes suspension from the Approved List. The length of time of this suspension is the time of the Campus plus two additional weeks.

III. Campus Boundaries

1. Because of the extensive acreage of Montreat it is necessary to set campus boundaries.

2. Daylight boundaries include college buildings, Graybeard picnic grounds, roads to and from homes of faculty, administration, staff and other Montreat residents. For walks beyond residential section, see HIKING.

3. The night boundaries include the Music Building, College Hall, Infirmary, Gaither, Howerton Hall, the gymnasium, skating rink, Webbwood, Assembly Inn and Anderson. To exceed night boundaries in order to visit Montreat residents, students shall walk in pairs. No one may walk to or from Black Mountain after dark.

IV. Leaving The Campus

1. Freshmen on the Approved List may go in pairs during the day to Black Mountain or Asheville after the Orientation Period.

2. After the Orientation Period, freshmen in groups of three and on the Approved List may go to Black Mountain or Asheville at night.

3. Upperclassmen on the Approved List may go alone to Black Mountain or Asheville during the day.

4. Two upperclassmen on the Approved List may go to Black Mountain or Asheville at night.

V. Dates

1. A student who expects to have a date shall sign in the Date Book in the Office of the Dean of

Students. When unexpected dates arrive, the student shall contact the Dean of Students or the House Mother.

2. Freshmen on the Approved List may double date after the Orientation Period.

3. Upperclassmen on the Approved List may single date.

4. Dating rules apply to daytime hikes.

5. Students on the Approved List may dance in Asheville at places acceptable and authorized by the Cabinet of S.G.A. and the Dean of Students. A list of such places will be posted by Cabinet at the beginning of the school year.

6. When students sign up for dates, they shall indicate whether or not they expect to attend places where there is dancing.

VI. Hiking

A. Unsponsored Hikes

1. Three or more girls may constitute a group for an unsponsored hike to Lookout by the shortest route in the daytime.

2. Six or more girls may constitute a group for other mountain hikes in daytime. During first semester, two of these girls must be upperclassmen.

3. Night hikes must be arranged by special permission from the Director of Physical Education or from the Dean of Students.

B. Sponsored Hikes

1. All sponsored hikes are conducted by the Athletic Association.

2. For details, see Hiking Club.

VII. Dress

1. The impression students' appearance makes upon others is important in maintaining the sense of pride they should have in their college. Proper and attractive attire should include:

(a) Hats and hose for Church

(b) Hose for trips to Asheville

2. Students should always be neat and well-groomed for meals. (This will exclude rolled hair.)

This is of special importance, as the Assembly Inn is a public as well as a college dining room.

3. Short shorts may not be worn in Gaither Hall and the Assembly Inn.

4. Skirts and dresses shall be worn on Sunday in lobbies of dormitories, Assembly Inn, Assembly Drive, and general campus.

VIII. Curfew

1. Students must be in their dormitory at 10:45 every night except Saturday. Saturday night curfew is 11:45. Dates are to be out of the dormitory by the curfew hour or late minutes are incurred.

2. Every student who maintains a 1.0 average will be given each semester 10 special week night permissions until 11:45. These may be taken at the students' discretion. When taking a special 11:45 permission, each student is to indicate it on her sign out card in the lobby. If a student is away from the campus and has not signed up for a late permission before leaving she should phone the dormitory and notify a house officer. Should she fail to do this her case will be considered at the meeting of the Hall Court Chairmen.

3. Freshmen and transfer students may begin taking special 11:45 permissions at the end of the first nine weeks if they have a 1.0 average. Students who have had to relinquish their special 11:45 permission for half a semester and who raise their average to 1.0 may take five permissions throughout the remainder of that semester.

4. When leaving the campus during the day and when leaving the dormitory after 7:30 P. M., each student must sign out on her sign-out card, the destination, time leaving, and expected time of return. The card must be placed in the student's box in the lobby. When returning, the student must sign in the time of her return and place her card back in the filing box.

5. Depending upon the most convenient way, students in certain dormitories may be asked to

use sign-out sheets rather than sign-out cards when leaving the dormitory after 7:30 for an **on-campus** destination.

6. Failure to sign in and out is also subject to penalty of one demerit upon the accumulation of three failures to sign in or out.

7. Any lateness beyond the curfew hour will be recorded by the house officer on duty. Upon the accumulation of 10 late minutes, there will be a penalty of one demerit.

8. Students who do not have a 1.0 average will be placed on academic probation and will be required to be in the dormitory by 8:30.

IX. Dormitory

1. Students are expected to keep their rooms in order and to refrain from damaging the property.

2. Students are asked to turn out lights and turn off radios when leaving a room.

3. Lamps, radios, hair dryers, and heating pads may be used in the student's room. Electric cooking utensils may be used only in the kitchen. Irons may be used only in the ironing room.

4. A student may spend Saturday night and Sunday night in another room or dormitory. When doing this, the student shall sign out of her own room or dormitory in order that she may be reached in case of emergency.

5. Guests are to abide by college and dormitory regulations.

X. Study Hall

1. For the benefit of giving students a satisfactory time for study, dormitories shall be quiet beginning at 8:30. From 8:30 to 10:30 students shall not visit each other in the dormitory rooms but they are not restricted to the building. A student lounge is available for those who have free time during study hall. Hall lights are dimmed at 10:45 and the dormitories must be reasonably quiet after that time.

2. DO NOT DISTURB signs are to be used for

serious purposes only and must be placed in plain sight on a closed door. A penalty of 3 demerits will be given for breaking a DO NOT DISTURB sign. When necessary, these signs may be broken only by the President or Vice-President of S.G.A., the House President, House Mother, Assistant Dean of Students, or the Dean of Students.

XI. Lights

1. Lights out for Freshmen will be 12:00 every night except for 12:30 on Saturday night.
2. Upperclassmen may have unlimited lights during the week. Lights shall be out at 12:30 on Saturday night and 12:00 on Sunday night.

XII. Telephone

1. Due to the large number of people dependent upon a single telephone in each dormitory, students are asked not to make telephone calls between dormitories unless the calls are urgent or business calls.
2. All local calls are limited to five minutes.
3. Long distance telephone calls are to be made from the pay telephone in each dormitory.
4. Scholarship girls are appointed to answer the phone. To avoid confusion, others are requested to leave that responsibility to them.

XIII. Meetings

Because of the importance of full student participation, the difficulty of group work and planning with only partial membership present, and because of the value for students in attending certain programs, attendance will be required for the following:

1. Student body meetings
2. Chapel
3. Hall Court meetings
4. Class meetings
5. Seated Meals
6. Certain college functions which will be designated as official prior to the time they are to take place.

XIV. Infirmary

1. The infirmary is open daily at times designated by the nurse to receive students who are ill. At other times, the Housemother should be notified of a student's illness. Emergency cases are exceptions and may be received at the infirmary at any time.

2. If a student is not able to attend classes, required meetings or school functions she should report to the infirmary. Otherwise the absence can not be excused.

3. Patients may receive visitors only during visiting hours. Exceptions may be made when it is necessary for a patient to remain in the infirmary for any length of time.

4. When a student is discharged from the infirmary, she must obtain a dismissal slip.

XV. Scholarship Work

1. If a student wishes to be excused from duty for any reason other than illness:

(a) She must first secure permission from the faculty or staff member in charge of the project.

(b) The substitute who agrees to attend to her duties during absence must be approved by supervisors.

(c) If the student is leaving the campus, she must have a scholarship slip signed by the Dean of Students or an assistant of the Dean. This slip should be given to the faculty or staff member in charge of her scholarship work.

2. If a work scholarship student becomes suddenly ill and goes to the infirmary, she is to ask the infirmary authority to call the supervisor of student's project in time for the supervisor to supply a substitute for her duty.

3. All students having Self-Help Assignments or students who work extra, are to appear for work in skirts or dresses unless their supervisor permits otherwise.

XVI. Mail

1. Each student is assigned a mail box at the beginning of the year. Mail is placed in the boxes twice daily, by a student assigned through the Scholarship Committee.

2. Due to Federal regulations, it is requested that students not ask for their mail ahead of time or ride with the scholarship girl to or from the Post Office.

XVII. Student Lounge

1. A Student Lounge located in the Gym, shall be open at all times except during regularly appointed religious services. The Lounge is for the enjoyment and relaxation of the students. Visitors may not enter the Lounge unless accompanied by a Montreat College student.

XVIII. Lake

The Director of Physical Education will post regulations regarding swimming. There shall be no swimming otherwise.

XIX. Permissions

For convenience, a form will be sent to the parents of each student at the beginning of her first school year. The parent must fill in this form and return it to the office of the Dean of Students before she can grant the student any but limited permission.

1. When going away for overnight or for the weekend, a student must sign up in the office of the Dean of Students. The student must notify the House Mother of her return.

2. Except for weekends at home, a student must have a written invitation from her hostess and a written permission from her parents before she can sign out in the Dean's office.

3. A student must have written permission from her family to ride home with anyone other than a relative or member of her immediate family.

4. A student who has a work scholarship must sign a slip in the Dean's office giving the name of

the person who will do her work while she is away. Sign-out slips and scholarship slips must be initialed by the Dean or Assistant Dean and cannot be filled in and left on the desk.

5. When a student has proved her dependability, her parents will be sent a form granting general permission to the student and this general permission will make it unnecessary for the student to comply with No. 2 and No. 3 above.

6. In addition to Thanksgiving and Easter weekends, permissions for off-campus weekends will be granted on the following basis:

(a) Students having an all 2.0 average may take weekends at their own discretion as long as their grades remain 2.0.

(b) Students having a 1.0 average may take 4 weekends a semester.

(c) Students having below 1.0 average may take 1 weekend a semester.

7. Any over-night departure from the campus constitutes an off-campus weekend.

8. No weekend permission will be carried over from one semester to another.

9. Seniors in their second semester may have unlimited weekends.

XX. Penalties

1. **Demerits**—These will be given either in the Hall Courts for violations, by Cabinet, and by the Hall Court Chairmen Group. When a student receives a total of 15 demerits, she will receive a two weeks Campus. (House Presidents shall turn in a record of all demerits given to the students in their dormitories by the Hall Courts or Hall Court Chairmen to the Vice-President of S. G. A. and upon a student's receiving 15 demerits, the two weeks Campus becomes automatic.)

2. **Campus**—A campus requires that the student not leave the campus at any time during the specified length of time. When a student is campused she is automatically off the Approved List for a length of time double that of the Campus.

Cabinet may lengthen the period for her removal from the Approved List if necessary. In addition to the automatic two weeks Campus for 15 demerits, Cabinet may give other penalties of this nature for longer or shorter periods, depending on the case.

3. **Restriction**—A Restriction requires that a student give up all honors on the campus and not participate in any campus activity except classes, meals, library, scholarship work, Chapel, and Church services. A student on restriction may not visit or receive visitors. Additional terms of the restriction may be added by Cabinet according to the individual case. A restriction may be given by the decision of either Cabinet or the Honor Court.

When a student is campused or restricted, the President of the S. G. A. will post on the dormitory bulletin boards the name of the student and the reason and duration of her penalty.

Special College Regulations

I. REGULATIONS REGARDING SOCIAL CONDUCT

Smoking and drinking are prohibited for all resident students during the college year, at all times except when students are at home during regular college vacations.

Mixed ballroom dancing is prohibited at Montreat, and mixed ballroom dances will not be sponsored by the college or by organizations of the college.

II. REGULATIONS REGARDING THE KEEPING OF CARS ON CAMPUS

Juniors and Seniors on the Approved List may have cars if it is agreeable with their parents.

III. REGULATIONS REGARDING CHURCH ATTENDANCE

The college assumes that students will participate in organized religious activities. On the basis

of this asumption the college expects that no student will normally have more than six (6) voluntary absences from Church, Sunday School, and evening Vesper services in one semester. Students shall record all voluntary absences. (Students may attend church services in Black Mountain or Asheville, but if they miss Sunday School here in order to attend church there, they will be considered to have had one voluntary absence.) For each voluntary absence beyond a total of 6 in one semester, a demerit will be given.

IV. FACULTY REGULATIONS REGARDING ABSENCE FROM CLASSES

1. A permanent committee on absences has been appointed, consisting of the Deans, the Registrar, and three other members of the Faculty.

2. Absences are recorded from the first day upon which classes meet.

3. Freshmen are allowed no unexcused absences during the first six weeks of classes. Each freshman is allowed as many cuts in each class as there are class meetings in that class in a week, during the remainder of her first semester. After the first semester in college, each student who has made a 1.0 average or higher during the preceding semester is allowed as many cuts in each class as there are class meetings in that class in a week.

4. Students who do not make a 1.0 average are not entitled to any cuts.

5. Whenever a student has an excused absence, it is her responsibility to get a statement from the Registrar's Office to the effect that her absence was excused, have the teacher initial it, and return it to the Registrar's Office. This is to be done **within one week** after the absence has occurred. Unless she does so within a week, the teacher can assume that the absence was a cut, not an excused absence.

6. If a student absents herself from a test announced as much as a week in advance, the teacher is at liberty to give the student a grade of "F" on that test, if the absence is not excused.

7. If a student is absent from a written lesson or test that is not announced as much as a week in advance, she may be given a grade of "F" unless the lesson or test is made up within the time allotted by the instructor for such make-up.

8. Incompletes and conditions must be made up within the first nine weeks of the second semester, except under special circumstances, and with permission of the Dean and the instructor involved.

9. The following excuses for absence are valid:

(a) Certified illness.

(b) Illness, death, or wedding in immediate family, or other unusual circumstances which the Dean of Students justifies.

(c) Representing a college organization at a conference.

(d) Other officially approved activities.

10. Students are expected to attend all classes during the last 24 hours before holidays begin and the first 24 hours after holidays end. For each unexcused absence during these 24 hours periods, one quality point will be added to the student's graduation requirements, with the following exceptions:

(a) For the Thanksgiving and Easter holidays, students who live 150 to 300 miles from Montreat may leave for home one day early and take regular cuts for that day, but will have a quality point deducted for each unexcused absence during the preceding day, **or** they may return one day late, and take regular cuts for that day, but will have a quality point added for each unexcused absence after they are due to return, until they do return.

(b) For the Thanksgiving and Easter holidays, students who live over 300 miles from Montreat will have a 48 hour period before or after the holiday during which they may take regular cuts. They may elect to take

this 48 hours before the holiday begins, after it ends, or may take 24 hours before it begins and 24 hours after it ends. For the 24 hours before they elect to leave, one quality point will be added to their graduation requirements for each unexcused absence, and one quality point will be added to their graduation requirement for each absence after they are due to return, until they do return.

This provision is merely for the use of regular cuts, and does not provide extra cuts for anyone; it deals only with the time at which cuts may or may not be taken.

11. There will be no cuts during the first six weeks of the first semester of each year for Freshmen.

12. One quality point will be added to the graduation requirements of a student for each unexcused absence in excess of those permitted in these regulations.

13. A Junior or Senior is allowed unlimited cuts in the second semester of each 2 semester course in which she has made a final grade of "A" for the first semester, except that regulations 6 and 7 above shall apply.

14. Seniors who have a B average at the end of their first semester are not required to take an examination for each subject in which they have made an A average the second semester.

15. The school year is not considered complete until after the Commencement Exercises.

Dear New Montreater,

Welcome, welcome, welcome to Montreat College! How happy it makes us that you have chosen to come to Montreat, and that you too will be a part of our college life. We hope that you will find your experiences here good and rewarding.

When you become a member of the student body at Montreat, you will also become a member of the Student Christian Association which is the main Christian organization on campus. The officers and group leaders of the Student Christian Association make up what is known as the Council. Don't let this title frighten you. We are the leaders elected to serve you, and we hope you will call on us when you need us.

One of the main purposes of the Student Christian Association is to promote growth in Christian faith and character. All our activities are aimed at doing this by bringing students to know Jesus Christ more personally and more vitally. Pretty soon you will be participating in some of these very activities — vesper services, dormitory prayer groups, and "morning watch." If you let them, they may come to have a deep influence in your life.

Perhaps here at Montreat in the midst of these beautiful mountains, in the midst of the Christian fellowship of those here, you will experience that intangible something which cannot be described — the Presence of God.

All these happy times await you this fall as you come to Montreat College. We are looking forward to having you work, play, and worship together with us.

Sincerely,

MARY LOU KISER, President

Student Christian Association

ARTICLE IV. OFFICERS

Section 2.

If any vacancy occurs in the list of officers it shall be filled at a special meeting of the Association called for that purpose.

Section 3.

two-thirds vote of the Association for two consecutive years at its annual meeting.

ORGANIZATION AND ACTIVITIES

The Student Christian Association is made up of the entire student body of the College. The Council acts as an administrative body of the organization. The students are divided into the various groups and through these smaller divisions of the organization more efficient work can be done. These groups are divided at the beginning of the year and thus each person has an active part in the Student Christian Association.

Vesper services which are planned and carried out by the students are held each Sunday night. The aim is to have each girl participate in these programs. Sometimes we have outdoor programs, at other times candle-light services, and quite frequently missionaries and other guest speakers are secured.

Throughout the year the S.C.A. seeks to aid students in Christian living by wholesome recreation and fellowship.

Dear Montreaters:

We, The Montreat Athletic Association, wish to welcome each of you to Montreat. We would also like to extend an invitation for each of you to join our program.

The Montreat Athletic Association has a wide variety of activities to offer including soccer, speedball, basketball, volleyball, softball, shuffleboard, badminton, horseshoes, tennis, hiking and self-testing stunts.

We want to stress in our program how to lose gracefully and win fairly, how to play well as a team or unit — not playing for our own individual gain. But the main thing is participating for the fun involved and the fact that we are getting to know more of our classmates.

We are looking forward to seeing you down on the soccer field in September. Let's begin at the first of the year by having fun.

See ya in September.

Sincerely,

PEGGY KYLE, President

Montreat Athletic Association

Sports

As you new Freshmen enter the doors of the dormitories, yells of "Yea Blue!", "Yea Gold!", will pound your ear drums.

What does this mean? Well, let me tell you.

Sophomores and Seniors constitute the Blue team and Freshmen and Juniors, the Gold team for 1957-'58.

We have intramural competition in both team sports and individual sports. Through continual participation in the afternoon sports program we learn to play, develop skill in play, and best of all make friends and have fun through play.

Just as autumn, winter and spring come, so do our seasonal team sports. First we play soccer and speedball, then basketball, volleyball and softball. The tougher the competition in these sports, the better we like it and the harder we play.

Our individual sports program provides opportunity for developing play in many well known recreational sports: horseshoes, shuffleboard, table tennis, deck tennis, tennis and badminton. There is always something new and exciting to learn and do! Learn to consult the Athletic Bulletin Board so you can see what's going on in sports for each day.

You'll want to get in the hiking club, too. The mountains that surround Montreat are gorgeous and the only way to know them is by hiking. So, be sure to bring your camera and hiking shoes.

Then the big day comes!! Awards of numerals, letters and chevrons are made to those girls who prove themselves outstanding in sportsmanship and athletic ability. Also, the Cup is presented to the Blue or Gold team winning the most tournaments during the course of the year.

"For when the one Great Scorer comes
To write against your name,
He marks, not that you won or lost,
But how you played the game."

Wel -- l -- l -- l -- come!

I am sure that you have participated in this yell many times at your high school sports events to welcome visiting teams to your school — sometimes yelling quite enthusiastically and sometimes quite coolly. By the tone of your voice, the expression on your face, and your very attitude, you told the visitors, as you spelled "welcome" twice and yelled it the third time, whether they were genuinely welcome or merely just intruding rivals.

As we of the SUN DIAL staff spell out our welcome to you, our voices are gleeful; our facial expressions are all smiles; and our attitude is unanimously joyful and sincere as we say: "Welcome to Montreat College and the wonderful Christian fellowship that is the core of our work and play here together."

While editing the 1957-58 annual, the SUN DIAL, we will be striving constantly to please you, one and all. We will be calling on you to help us in various and many ways. Won't you cooperate with us to make the '57-58 SUN DIAL a great yearbook? We're counting on YOU!

Be seeing ya in September!

School Songs

ALMA MATER

(Tune: Believe Me If All Those Endearing Young Charms. Words were composed by Mrs. Lucille Belk Armistead.)

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.
So the memory of thee will ever remain,
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
And the ideals you taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name wherever we roam,
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.

MONTREAT GIRL

Now when a Montreat girl walks down the street,
She looks a hundred per from head to feet—
She has a word, a smile, a winning way, and
When you see her, boy, you'll recognize her and you'll say—
Now there's a girl I'd like to know,
She has that Montreat spirit, pep, and go,
And just to look at her is quite a treat,
It's hard to beat,
A MONTREAT GIRL!

MONTREAT

Montreat, we're always thinking of you,
Montreat,
We'll tell the world we love you.
Don't forget we're yelling for you.
We will play, and sing, and dance and everything
For Montreat.
You are our inspiration; days are never blue.
And after all is said and done,
There is really only one.
Oh Montreat College, it's you!

MAY DAY SONG

She comes, she comes, our radiant queen,
And joyfully we sing.
She spreads the hills and fields with green,
Our lady of the spring.
Let all the universe rejoice,
Upon this gladsome day,
And spread the tidings with one voice,
'Tis May, May, May!
'Tis May, May, May!
Winter winds are far away,
All the earth is bright and gay.
And joyfully, again we say,
'Tis May, May, May!

BLUE AND GOLD

Blue and gold of old Montreat,
With love for you our hearts will beat—
A candle light shining where'ere we dwell,
To the friends that we all love so well—
We're thankful for skies of blue,
The breeze that whispers its love to you,
We hear their voices calling,
With love enthralling—
O DEAR MONTREAT!

Commencement Songs

PROCESSIONAL

The children of the King are we,
The children of the King;
His emblem bearers we would be,
And so his banner bring;
Its colors gleam all gloriously,
As forth its folds we fling;
The children of the King are we,
The children of our King.

O heed with us the happy call
To worship of our King.
Come join us in His temple all
Who hear His church bells ring;
Your souls shall feel His blessing fall,
And know His comforting;
O heed with us the happy call
To worship of our King.

The earth, it is His garden fair,
The garden of the King;
Where flowers and little children share
His love for everything;
The whole wide world lies in His care,
Beneath His brooding wing;
The earth, it is His garden fair,
The garden of the King.

Our lives are links of years and days,
Wherein to serve our King;
Like Him, to help in loving ways,
While homeward journeying;
Our lives, our lives, shall sing His praise,
As now our voices sing;
Our lives are links of years and days,
Wherein to serve our King.

(The music for this was composed by Mrs. Crosby Adams.)

RECESSIONAL

BRIGHTLY GLEAMS OUR BANNER

Brightly gleams our banner
Pointing to the sky,
Waving wand'rers onward
To their home on high.
Journeying o'er the desert
Gladly thus we pray;
And with hearts united
Take our heavenward way.

Jesus, Lord and Master,
At Thy sacred feet,
Here with hearts rejoicing
See Thy children meet;
Often we have left Thee
Often gone astray;
Keep us mighty Saviour,
In the narrow way.

All our days direct us
In the way we go,
Lead us on victorious
Over every foe;
Bid Thine angels shield us
When the storm clouds low'r,
Pardon, Lord, and save us
In the last dread hour.

Then with saints and angels
May we join above,
Off'ring pray'rs and praises
At Thy throne of love;
When the toil is over
Then come rest and peace,
Jesus in His beauty,
Songs that never cease.

Refrain: Brightly gleams our banner
Pointing to the sky,
Waving mortals onward
To their home on high.
